

November 2009

Memo to: Diocesan Treasurers, Wardens and Clergy

From: Debbie Young, Payroll Administrator

Re: Policy for Interim Ministries

The policy for interim ministries is currently being updated for the year 2010. However, the compensation will remain the same as it was in 2009. Once the policy for interim ministries has been completely updated it will be posted on the web.

Thank you for your patience with the process of updating the policy.
